My apologies as I thought this had been provided to you at least a month ago when it was executed with Northrop Grundwa. I'm afraid we dropped the ball in distributing it. My email to Ms. Dougherty of NG was the result of having game over the process with her several times in the past and it appeared she was asking me to execute a mod on your contract. Your contract was awarded to Logicon FDC, and based on a phone conversation I had with Ms. P. Smith of your office as to award date, etc. a Novation was not required, only a change of name as Logicon FDC was at that time a wholly owned subsidiary of NG. This just needs to be incorporated into your contract with a mod. Call me if you have any other questions in regard to this.
